THE INVALID'S FRIEND.

HOLLOWAY'S PILLS.

Nervous Disorders.

What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? Here is one :—Drink but little wine, beer or spirits, or far better, abstain from them altogether ; do not take coffee—weak tea is preferable ; get all the fresh air you can ; take three or four of these Pills every night ; eat plenty of solids, and avoid the use of slops. If these golden rules are followed, you will be happy in mind, strong in body, and forget you have any nerves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous, and renewing suspended secretions. Universally adopted as the one grand remedy for female complaints, these Pills never fail, never weaken the system, and always bring about what is required.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water ; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief after all other means have failed.

The Stomach out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills ; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver, and reduce it to a healthy action ; they are wonderfully efficacious in cases of spasm—in fact they never fail in curing all disorders of liver & stomach.

Bronchitis, Diptheria, Coughs, Colds.

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of disordered action may always be removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of blood, relieve any overgorged veins, moderate the hurried breathing and enable the windpipe and lungs to perform their functions with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities, and thus fortify the system against consumption, asthma, and other pulmonary complaints.

Debilitated Constitutions.

In cases of debility, languor and nervousness, generated by excess of any kind, whether mental or physical, the effect of these Pills is in the highest degree bracing, renovating and restorative. They drive from the system the morbid cause of disease, re-establish the digestion, regulate all the secretions, brace the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigour.

Biliousness, Loss of Appetite, Headache and Lowness of Spirits.

These Pills effect a truly wonderful change in debilitated constitutions as they create a healthy appetite, correct indigestion, remove excess of bile, and overcome giddiness, headache, and palpitation of the heart.

Holloway's Pills are the best remedy known in the world for the following diseases :—

Ague	Female Irregularities	Retention of Urine
Asthma	Fevers of all kinds	Scrofula, or King's Evil
Bilious Complaints	Fits	Sore Throats
Blotches on the skin	Gout	Stone and Gravel
Bowel Complaints	Head-ache	Secondary Symptoms
Colics	Indigestion	Tic Douloureux
Constipation of the Bowels	Inflammation	Tumours
Consumption	Jaundice	Ulcers
Debility	Liver Complaints	Venereal Affections
Dropsy	Lumbago	Worms of all kinds
Dysentery	Piles	Weakness, from whatever cause, &c., &c.
Erysipelas	Rheumatism

NEW WESTMINSTER, THURSDAY, JUNE 8, 1865.

THE NEWS.

The telegraphic news which we publish to-day is of unusual import. The decision of the highest law authority of the State, with one fell swoop, renders the great bulk of the Southerners houseless and homeless fugitives. Suddenly to deprive them of their slave property was a more extreme policy that they were prepared for, and against which, although funking in the field, they gave a growl of discontent. But when to that is superadded the complete and unconditional confiscation of all that they were accustomed to call their own, and that by a mere quirk of the law, quiet submission would scarcely appear to be within the bounds of human endurance. These men doubtless forfeited all their rights as citizens of the United States that moment they took up arms and levied war against the supreme authority; and there is as little doubt that the decision of the Attorney-General is supported by law; but it would appear equally obvious that to enforce the weighty decrees of confiscation would be to defeat the spirit and intention of the President's proclamation. Now that the foot of the North is upon the neck of the South let them not forget that they are brothers; let justice be largely mingled with mercy, and there will be some room to hope that one of the most gigantic and bloody wars which disfigures the page of human history may be followed by a permanent peace. The North has nobly won in a most deadly struggle. She can now afford to be magnanimous—it is her true policy to be so. Let her show to the world a practical illustration of that religion which she professes—prove that she knows how to forgive as well as how to fight, and all may yet be well. "The snake is scotched, not killed." Although they have humbled the South they may not with impunity venture to tread upon her. Although according to the strict letter of the law the people of the South may have forfeited their homes, yet it is to be hoped that all who are willing to return to their original allegiance will be reinvested in all the rights of citizenship. The Great Republic will have enough on hand without adopting extreme and exasperative measures towards a prostrate, but not wholly subjugated foe. To rigidly enforce confiscation would be to provoke a feeling of resentment which might give much trouble in the future, while to adopt a conciliatory policy would the most effectually disarm treason and raise the nation in the estimation of the civilized world.

Important to Business Men in Victoria, California, Portland, and Places on the Sound!

THE JOURNAL is the only newspaper published in British Columbia: is read by every business man from New Westminster to the Rocky Mountains, and is unrivalled as an advertising medium for this Colony. J. DORAN, in Victoria, and L. P. FISHER, in San Francisco, are our authorized Agents.

The British Columbian.

NEW WESTMINSTER, THURSDAY, JUNE 8, 1865.

Later from Kootenay.

Mr. J. F. Allison arrived at Hope on Sunday last with his pack train from Princeton. Mr. Allison says he experience no difficulty in crossing the Cascade Range. The news from the Kootenay mines, although containing nothing definite, is of a very encouraging character. Several new strikes had been made, and the utmost confidence was everywhere expressed. Mr. Allison would start out this week with his animals loaded for the Kootenay market. It was stated that Jones & Co., who started out a few days ago with a loaded pack train, had experienced some difficulty on the summit, owing to the path which was recently opened through the snow having diverged from the road. We understand that their animals were somewhat overladen, yet the road would not appear to be quite as good as it was hoped.

Queen Charlotte Coal Mining Company.

The sloop *Random* arrived from Victoria on Sunday and sailed for Queen Charlotte Island on the following day, carrying men and material to prospect a seam of anthracite coal supposed to exist there. The vessel is the property of the Queen Charlotte Coal Mining Co. (Limited,) and we understand it is the intention of the company as soon as they shall have ascertained the extent and quality of the coal, to place the shares in this market and in Victoria for sale. The expedition is under the management of Mr. Robinson, for many years manager of the Nanaimo mines, and they bind the men under penalty not to trade with the Indians, nor do they permit any spirituous liquors on board. Hon. Mr. Hamly has been pleased to appoint Mr. Robinson as Custom House officer at Queen Charlottes Island. Mr. Robinson, who is also the present proprietor of the Theatre Photographic Gallery in Victoria, takes his apparatus with him, and intends to take views of the surrounding country.

FROM YALE.—The str. *Lillooet* came in from Yale on Tuesday. Barnard's stages started out for Cariboo on Monday morning with five passengers, amongst whom were J. D. Walker, Esq., Manager of the Bank of British Columbia, and Capt. Irving, of the steamer *Reliance*. Mr. Walker goes to Cariboo for the purpose of inspecting the branch banks there, while Capt. Irving goes to Spence's Bridge, in which he is understood to be a sleeping partner.—The funeral of Mr. McCall, whose death we announced on Tuesday, took place on Monday afternoon. The attendance was large, and Mr. Charles, H. B. Co. Factor, in the absence of a clergyman, read the funeral service. During Saturday, Sunday and Monday the flags were all half-mast, in token of respect for the deceased, who was highly esteemed. In the course of the evening a purse of something over $400 was raised for the distressed widow, indicating at once the high estimation in which the family was held and the extreme liberality of the good people of Yale. It is to be hoped that the people of this city, in which Mr. McCall was less a stranger than in Yale, will follow the noble example thus set them. Mr. McCall was an honest and worthy man, and his life may truly be said to have been sacrificed to his country. He has left a widow and six children, to make suitable provision for whom is a sacred duty devolving upon the Government and the people. We understand that although Mr. McCall was some 25 years in the service his pension of half a crown a day dies with him.

RARE SPORT TO-DAY.—Every effort is being made by the Cricket Club to render the Intercolonial Cricket Match, appointed to come off to-day, as attractive and agreeable as possible to all parties. In anticipation of a large number of spectators comfortable seating has been provided, and Mr. Rowling, of the Retreat, will have a refreshment booth upon the ground, by special permission of the club. Mr Rowling, with commendable liberality, proposes to devote the proceeds of the occasion to the relief of the widow and orpans of a lately deceased Ex-Royal Engineer. The arrival of the str. *Sir James Douglas* with the Victoria Eleven may be looked for early this morning.

GODEY'S LADIES' BOOK.—Through the politeness of Messrs. Clarkson & Co., Columbia Street, we are in receipt of this charming magazine, which comes to us fresh with new illustrations and original tales. The contents of this (the number for June) are "Poor Relations," "Grace Howard," "Our Birdie," "To the Stars," "A Trip in the Street Cars," "Old Maids," "When and how to find fault," "On the Bench," "Cupid *versus* Kerosene," "My shadow Maiden," "Delicacy in Conversation," "Charlie and I," "The Family Drawing Master," the "The Casket of Memory," "Remembrances," fashion plates and fancy work, together with innumerable receipts, etc., etc.

THE WEATHER, which had continued unusually cool, became quite warm yesterday, and would have been very oppressive were it not for a fresh breeze from the gulf, which continued to blow all day.

CATTLE FOR CARIBOO.—The str. *Lillooet*, before leaving Yale on Tuesday morning, ferried 90 head of cattle over—a drove brought from Oregon by Mr. Dawson, and intended for the Cariboo market.

HEAVY SHIPMENT OF GOLD.—The *British Colonist* of Monday says:—"The Bank of British Columbia shipped by the *Brother Jonathan* for San Francisco, gold bars to the value of nearly $200,000." The gold, it will scarcely be necessary to state, was the product of the mines of this colony. We observe that at San Francisco the amount of treasure taken down by the *Brother Jonathan* is reported $347,000.

FAREWELL DINNER TO LIEUT. VERNEY, R. N.—The people of Victoria entertained this gentleman at a dinner and presented him with a complimentary address upon the eve of his departure for England. The Hon. Chief Justice Cameron presided upon the occasion.

THE ESCAPED CONVICT.—The Chief Constable went up to Chilliwhack yesterday with an assistant for the purpose of re-capturing the rascal who effected his escape from the chain-gang a few weeks ago.

THE INSTITUTE.—The machinery is being taken out of the Mint building, preparatory to fitting it up for the projected Institute and reading-room.

CONVALESCENT.—We are happy to learn from the Victoria *Colonist* that Mr. Carswell had sufficiently recovered from the effects of his Sooke adventure to be able to return to Victoria.

THE NEXT STEAMER.—The *Sierra Nevada* sailed from San Francisco for Esquimalt last evening. She will consequently be due about Wednesday next.

FROM SAN FRANCISCO.—The bark *Metropolis* sailed from San Francisco for this port on the 26th ult. She will be due in a few days.

"THE GENESEE FARMER."—Messrs. Clarkson & Co. have still room for a few subscribers for this cheap and really excellent agricultural monthly, which should be in every farmer's house.

H. E. STEAM-YACHT "LEVIATHAN" went down to Victoria on Monday and returned on Tuesday. It is understood she carried dispatches to the Admiral.

STILL THEY COME.—The steamer *Alexandra* arrived from Victoria on Tuesday evening with 170 passengers, of whom 120 were Chinese.

FOR YALE.—The steamers *Reliance* and *Lillooet* left for Yale yesterday, carrying up freight and passengers. The fare to that place is only $1 at present.

FROM VICTORIA.—The steamer *Enterprise* came in from Victoria on Tuesday evening, bringing 50 passengers and a cargo of general merchandise.

FOR DOUGLAS.—The steamer *Hope* left for Douglas yesterday with freight and passengers.

THE "HYACKS" met last evening for practise. The muster was fair and the engine worked admirably.

H. M. GUNBOAT "FORWARD" arrived from Esquimalt yesterday.

☞ The London *Owl* is edited by Mr. Lawrence Oliphant, formerly secretary to Lord Elgin in Canada, and author of several works. Mr. Evelyn Ashley, son of Lord Shaftesbury, and private Secretary to Lord Palmerston, is sub. It is famed for early official news.

LOCAL IMPROVEMENT.—We were surprised when passing down Columbia-street yesterday to notice the fine display of new goods at the store of Messrs. Clute & Major, and upon closer inspection we found they were selling Dry Goods, Clothing, Boots, Shoes, &c., at *lower rates* than we have ever before seen in this city. Truly this is a local improvement. *

I'm not "Argus."

To the Editor of the British Columbian.

SIR,—It is very unpleasant to beer blame for the sins of others, especially sins of which you have never been guilty, such as writing violent letters full of bad grammar and worse quotations.

I have good reason to believe that many in New Westminster do me so much—honor—as to consider me the author of the letters signed *Argus*.

I should be very sorry to rob the writer, whose fertile mind has produced these spirited compositions, of any merit that there may be in them, and I certainly do not wish my name to be associated with sentiments and orthography in no wise my own. For these two reasons therefore I must request you to inform the inhabitants of Little Pedlington—New Westminster I mean—that I have never written any compositions whatever in your paper signed *Argus*. If the public wish to discover *Argus*, had they not better find a mare's nest, and see if the mare is not the goose who has laid such golden eggs?

Yours truly,

W. E. WYNN WILLIAMS.

"Argus" and the Public Works.

To the Editor of the British Columbian.

SIR,—There may be a variety of opinion as to the correctness of "Argus'" insinuations, as some call them, but a test is easily applied. I am credibly informed that the waggon road above Quesnellemouth was accepted by the present Deputy Surveyor-General. Would it not be well to have some competent men to go over that section of road with a copy of the specifications and see how near that job comes up to its requirements. The Government may then be able to put 'this' and 'that' together.—Yours, &c.

WASHINGTON, May 26.—The following order has been issued from the War Department relative to mustering or discharging volunteers:—The several divisions of various army corps will be kept intact. Commanding generals, immediately on receipt of orders directing a portion of said forces to be mustered out, will order the same, if not already there, to the following rendezvous: First, troops of middle military department and other armies acting therein will rendezvous in the defences of Washington and Harpers Ferry. Second, those of military department of James at Richmond and Old Point Comfort, Va. Third, those of Department of North Carolina will assemble at Newbern and Wilmington. Fourth, those in Department of the South at Charleston and Savannah. Fifth, those in military department of Missouri at Little Rock, St. Louis and Fort Leavenworth. Seventh, those in Department of Cumberland at Nashville, Knoxville and Memphis. Eighth, those in Department of Kentucky at Louisville. Ninth, those in Middle Department at Baltimore. Special orders will be given from Adjutant-Gen.'s office relative to troops serving in Department of East Pennsylvania, the North-western Department and the Department of the Pacific as the time of discharge of said troops approaches. In case of one or more regiments of division being mustered out of the division remaining in field, the said regiment or regiments will be mustered at the place where serving at the time and then sent to their homes. The Adjutant-General of army will designate places of rendezvous in States, to which regiments after being mustered out will be formed together for payment. Every regiment will be sent forward to its State and rendezvous as soon as their rolls are complete, carrying arms, colors and necessary equipments. In the cases of regiments in the respective States pay and supplies will be issued by respective departments in requisite quantities.

NEW YORK, May 23.—The *Tribune's* Washington correspondent says the grand jury of the District of Columbia to-day found bills of indictment against Jeff. Davis and John C. Breckinridge for high treason.

WASHINGTON, May 26.—All the cavalry in the Western Department are to be mustered immediately at Cairo, for active Texan service.

Fred. Seward had an unexpected hemorrage which excited renewed anxiety in his case.

NEW YORK, May 27.—A special dispatch to the *Tribune* from Washington says: The Attorney-General has made a most important decision. he affirms that the President's proclamation was a means only to secure a specific purpose which was suppression of rebellion. The rebellion being ended the amnesty does not restore citizenship, property or equal rights. The President has no power to pardon except for what is past. Executive clemency cannot stretch to the future; therefore decrees of confiscation must stand. The decision will be given to the public in a few days.

The *Tribune's* special dispatch from Washington says in the election for House of Delegates yesterday the Disunionists swept Virginia, so far as known.

WASHINGTON, May 27.—The Post Office Department has contracted with J. E. Reside, for the conveyance of mails daily, and back on the route from Lincoln, California, to Portland, Oregon, including intermediate points, service to commence on 1st of June.

SAN FRANCISCO, June 5.—Mining market looking better, upward tendency of prices running through nearly the whole list. Legal tenders, 76½ to 77. Gold, 25th, 134½ to 135. Holding firm at these figures at latest. Four: brisk, jobbing demand prevails without essential change in prices. Barley: weak, sales 600 sack old $1.45 to $1.75 latter for choice breading, also 200 sacks new $1.75 per 100 lb. Oats: 500 sacks $1.60 to $1.62½ per 100 lb. Hay: plenty and dull, cargo 100 bales good new brought $10 per ton. Potatoes: 175 sacks prime old Bodega 4 cents per lb. Arrived ship *Lookout*, 126 days from New York. Bark *Willie*, 127 days from Batavia. The *War Hawk*, 134 days from New York.

SECOND DISPATCH.

SAN FRANCISCO, June 6.—Mr. Spitz, who was stabbed by the murderer of Walter, is improving slowly. The inquest in Walter's case is postponed until Spitz can give testimony. Judge Dwinelle to-day rendered judgement by default in the attachment suit against the firm of Vandermedne and Meville to the amount of $10,000. There is a further improvement in mining stocks market to-day. Legal tenders 76½. Private telegrams quote: Gold on 25th. at 132, 26th at 136, 27th at 137, declining at latter dates 135. Sterling exchange quoted at 110. Flour: demrnd continues brisk chiefly for the interior, but the market is unsettled, we note sales of Oregon in quarter sacks $12 and $14 per barrel, as in quality, repacked extra $14.25; local extras $15; for Golden Age, national, and commercial, $15.50. Wheat market appears to be shaded a trifle though there is little doing, a small lot of private domestic was placed at 4½c., nominal quotations are 4 and 4½c. Barley: duller, sales 300 sacks breading, $1.12½, $1.25 ditto, old $1 60 per 100 lb, Potatoes: old Bodegas sold at 4c., and new 4½ to 4¾ per lb. Oats: beyond 400 sacks at $1.62½ per 100 lb.

SEATTLE, June 7.—Steamer *Sierra Nevada* leaves San Francisco for Portland and Victoria this evening.

THIRD DISPATCH.

SAN FRANCISCO, May 7.—The military commission in the *Salvadore* piracy case convened again to-day to hear the argument of counsel for the prosecution in reply to that of the defence. President Hillyer opened the argument, replying to statements made by counsel for defence, which he said were absolutely and totally false. He showed up the utter falsity of their position, and quoted numerous authorities on the point to sustain him. Judge DeLos Lake followed by a telling speech, completely overthrowing the plausible argument of the opposite counsel. He dwelt at some length on the legal bearing of the case, the question of jurisdiction and legality of case, with other technical objections that had been strongly urged. Mr. Pixley eulogised the Confederate navy, and claimed that they had conducted their warfare in a humane spirit and without bloodshed. Preliminary examination into the attempted stealing of steamer *Colon* was conducted in Court last evening, and parties held to answer before the County Court, with bail fixed at $2000 each. The Mayor has called a meeting, to be held to-morrow evening, for the purpose of taking measures for the celebration of the coming 4th of July. The gathering of graduates of College and other institutions of learning at Oakland surpassed in numbers that of last year. The society of associated aliens of the Pacific coast was duly organised, J. W. Devinnelle being elected President for the ensuing year. A new bank, the London and San Francisco Bank, with a capital of £1,000,000 in £10 shares, is to be established here at an early period. Ex-Congressman Milton S. Latham, now *en route* to this city from the East, is, we understand, to be invested with the management of the institution in this city, while Jules May, formerly of Davidson & May, will represent the bank in London. Mining stocks somewhat weaker to-day. Legal tenders 76½. Flour, fair jobbing trade for local and interior consumption at nominal prices. Wheat, some demand for Sacramento, but beyond a sale of 400 sacks, handsome seed understood at 4½c. per lb.; we hear of no movement. Barley now is nominally $1 and $1.12½c. of old; we hear of 500 sales feed at $1.45 and 200 ditto to arrive; private, 200 ditto brewing at $1.67½. Hay, small cargo order, old, brought $11. Oats, 170 sacks at $1.50 to $2·00; ditto 155 at $1.60. Wool sales, 100 Wales medium to fair number one, sold at 21c. to 22½c. Rice, we note sales 900 mats No. 2 China at 9½c. to 10½c., and 200 ditto No. 1 at 10¾c. per lb. Sugar, further sales 150 kegs No. 1 Hawaiyan, at 12½c. per pound.

ALL CURES MADE EASY!!
HOLLOWAY'S OINTMENT.

Bad Legs, Ulcerous Sores, Bad Breasts and Old Wounds.

No description of wound, sore, or ulcer can resist the healing properties of this excellent Ointment. The worst cases readily assume a healthy appearance whenever this medicament is applied; sound flesh springs up from the bottom of the wound, inflammation of the surrounding skin is arrested, and a complete and permanent cure quickly follows the use of the Ointment.

Piles, Fistulas and Internal Inflammation.

These distressing and weakening diseases may with certainty be cured by the sufferers themselves, if they will use Holloway's Ointment, and closely attend to the printed instructions. It should be well rubbed upon the neighbouring parts, when all obnoxious matter will be removed. A poultice of bread and water may sometimes be applied at bed time with advantage; and most scrupulous cleanliness must be observed. If those who read this paragraph will bring it under the notice of such of their acquaintances whom it may concern, they will render a service that will never be forgotten, as a cure is certain.

Rheumatism, Gout & Neuralgia.

Nothing has the power of reducing inflammation and subduing pain in these complaints in the same degree as Holloway's cooling Ointment and purifying Pills. When used simultaneously they drive all inflammation and depravities from the system, subdue and remove all enlargement of the joints, and leave the sinews and muscles lax and uncontracted. A cure may always be effected, even under the worst circumstances, if the use of these medicines be persevered in.

Eruptions, Scald Head, Ringworm & other Skin Diseases.

After fomentation with warm water, utmost relief and speediest cure can be readily obtained in all complaints affecting the skin and joints, by the simultaneous use of the Ointment and Pills. But it must be remembered that nearly all skin diseases indicate the depravity of the blood and derangement of the liver and stomach, consequently, in many cases, time is required to purify the blood, which will be effected by a judicious use of the Pills. The general health will be readily improved, although the eruption may be driven out more freely than before, and which should not be promoted; perseverance is necessary.

Sore Throats, Diptheria, Quinsey, Mumps & all other Derangements of the Throat.

On the appearance of any of these maladies the Ointment should be well rubbed at least three times a day upon the neck and upper part of the chest, so as to penetrate to the glands, as salt is forced into meat; this course will at once remove inflammation and ulceration. The worst cases will yield to this treatment by following the printed directions.

Scrofula or King's Evil and Swelling of the Glands.

This class of cases may be cured by Holloway's purifying Pills and Ointment, as their double action of purifying the blood and strengthening the system renders them more suitable than any other remedy for all complaints of a scrofulous nature. As the blood is impure the liver, stomach and bowels, being much deranged, require purifying medicine to bring about a cure.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs.	Chapped Hands,	Scalds.
Bad Breasts.	Contracted and Stiff Joints.	Sore Nipples.
Burns.	Elephantiasis.	Sore-throats.
Bunions.	Fistulas.	Skin-diseases.
Bite of Mosquitoes and Sand-Flies.	Gout.	Scurvy.
Coco-bay.	Glandular Swellings.	Sore-heads.
Chiego-foot.	Lumbago.	Tumors.
Corns (soft).	Piles.	Ulcers.
Cancers.	Rheumatism.	Wounds.
Chilblains.		Yaws.

Sold at the establishment of PROFESSOR HOLLOWAY 244, Strand, (near Temple Bar) London; and by all respectable Druggists and Dealers in Medicines throughout the civilised world, at the following prices:—1s. 1½d., 2s. 9d., 4s. 6d., 11s., 22s., and 33s. each Pot.

*** There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot. au15
